Selene Turns 3!

Since the baby's due date is around Selene's birthday of June 8th, we celebrated her 3rd birthday one month earlier. She had a princess-themed party at Garfield Park. You can see how excited she is to eat her special egg- and nut-free chocolate cupcakes!

Special Delivery From the Stork is on the Way!

By the time you read this, my second daughter may have already arrived in this world! We asked for next day air delivery, but the OB doctor said "Sorry, it'll take 39 weeks! She'll be delivered around June 11th." Thank goodness my dental materials don't take that long! We can't wait to share more with you when she arrives!

I will still be available and in the office for afternoon appointments during the second and third weeks in June.

The hygiene department will be open so anyone scheduled for a cleaning should keep their appointments.

Invisalign Day: \$500 discount on August 5th – Call now!

August is also going to be an exciting month for **Invisalign**, otherwise know as adult braces. Yes, it involves moving your teeth so they look straight and sexy and youthful. And no, it doesn't involve metallic hunks of metal they call braces! (see reverse side for more details)

Vote for "Best Dentistry" 2009!

Also in August will be the nominations for "**Best Dentistry**" in the Pasadena Weekly Magazine contest. This is like a good drug for us since we have, for the past two years, been placed on that high pedestal by you all. Let's do it again! Please don't make every one of my relatives and even the ones I don't see once a year at Christmas vote secretly for me. It's so much better coming from you! Thank you all very much in advance. Your recommendation for this award is your greatest gift to me, my family, and my team.

Springtime Brings Continual Growth to Our Office Too!

I'd like to introduce two new voices and faces to our practice.

Stephanie Gomez epitomizes the virtues of patience, grace, and exuberance which I know will complement our team perfectly as our Assistant Office Manager.

We also welcome **Rochelle Reiff** as our Public Relations consultant to help promote our practice and services.

Rochelle has a lot of experience with building relationships with the community.

Additionally, I will be hiring a **dentist associate** to help us grow. I am in the process of finding someone "just like me". If you know of a dentist looking for a job, please let me know ASAP!

CALL TO ACTION!

Finally, I would like to urge all of you who have insurance not to let it go to waste. Last year we did a great job of reminding you to take advantage of your dental benefits sometime before the final hours of December...only to get everyone and their cousin in between Christmas and New Years! ☺ Please exercise your right to take care of any needed dental concerns **BEFORE** December - don't let your insurance agents have their party and get paid bonuses for any of your unspent insurance money. Give it to us instead, and we'll make your teeth better for it! That means, don't wait. Call now to get your appointments scheduled at 626-449-5420!

SIZZLING SUMMER SMILES

Invisalign® Day

Wednesday, August 5th 12:00pm - 6:00pm

Dr. Michael Yung will be providing Invisalign treatment consultations to answer your questions about Invisalign treatment, the clear way to straighten teeth. If you have wondered if Invisalign is right for you, ask the scheduling coordinator to schedule you for an appointment for this [special event](#).

For eligible* Invisalign Day patients:

\$500 off your Invisalign treatment

FREE records (x-rays, photos, impressions, etc.) - a \$300 value

Complimentary teeth whitening - a \$250 value

Financing options available

Space is limited to the first 12 appointments.

*Ask the scheduling coordinator about Invisalign Day patient eligibility.
